# HOW TO GET TO VIDIN

- Transport to the project can be done by plane, train or bus. The day of arrival is 09.05.2022 before 14:00, and the day of departure is 1.05.
- For those of you who will arrive by plane at Sofia Airport. The time needed to get from Sofia Airport to the centre is approximately 18 minutes. Getting from Line 1 to Line 2 at Serdika Metro Station in less than half an hour you can reach from the airport to Central Bus Station - Sofia and Central Railway station.
- The time of departure from Sofia to Vidin with Aleksiev transport company is at 09:30; 12:30; 14:00; 15:00; 17:45. You can get to Vidin by any other company. There is also the option of travel from Sofia to Vidin by train.
- And if Vidin is very close to a couple of cities in Serbia, there is no public transport between them, while transportation with cities in Romania exists, but very rarely a couple of times a week.

# TRAVEL INFORMATION

The project coordinator should first **approve** all travel routes. Send your recommended travel plan on following EMAIL:  
[infusion.net@gmail.com](mailto:infusion.net@gmail.com)

Participants can take up to 2 TOTAL extra days before and after mobility  
**AT THEIR OWN EXPENSE.**

## IN ORDER TO GET REIMBURSEMENT:

Participants **need to have** all of their travelling tickets, invoices and boarding passes.

Participants must attend all sessions and workshops.

Participants must disseminate the project according to the instructions that will be given.

If you are travelling by private car, you can get the reimbursement only on the basis of the copy of the driving licence, documents that prove the vehicle ownership, fuel refuelling invoices with the travel date appropriate to the project dates.

If you are "lost in translation" and have no idea how to plan your trip, please contact us via e-mail for advice and recommendations.

# PARTICIPANTS

## **Participants:**

5 per country (4+1 group leader)

18-30 years old (group leader no age limit)

Gender balance (3:2 on either side)

Participants with fewer opportunities will be at advantage during the selection.

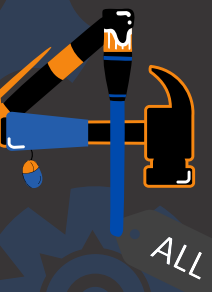

A participant should be interested in intercultural and lifelong learning and willing to use acquired skills and knowledge in practice. It is desirable to have at least a minimum level of English. Gender balance is essential for us, so every team should ensure equal participation of both genders.

## **Team leaders:**

Experienced youth workers who are members of participating organizations and already involved in youth exchanges to help participants fulfil their tasks. They should speak English profoundly.
